Please attached your driver's licence and the CC.V/M card you want your membership fee to be billed to.

*; You can ask for your car to be delivered to you at the airport and do the 'hand-over' at a different location, such at the home/work location in the City of the car's owner – to drop that person 'back' after picking you up – this can cost as little as \$65 – your 'membership' 'fund' is the bond to ensure you pay the 'driver' for this service, and, if your flight is delayed, \$65 per 30min is payable to the driver if you ask them to wait. Full terms sent upon booking.

**; if you have a car that you are happy to lend to the owner of the EV you rent, you can offer to 'swap' this to them for a discount, or 'credit' on exact rental – full details provided if you make such an offer

^: Special rates are to be lower than; https://www.evee.com.au in 90% of rentals - - ^^: See: www.teslataxi.com.au/s/TT-Charging-Whitepaper.pdf

Forfeiting Membership fund: There are several ways your 'membership' can be forfeit, the main thing is making an insurance claim – full details will be provided by way of our 'membership contract' that you will receive prior to 'billing' your joining fee.
